

Agenda

time	Monday Sept 2	Tuesday Sept 3	Wednesday Sept 4	Thursday Sept 5	Friday Sept 6
9-10:30		TP2: Preparing the target molecules for Selex	PP2: The selective step	PP4: Interaction analysis	Open discussion
10:30-11		Coffee & Tea Break	Coffee & Tea Break	Coffee & Tea Break	Coffee & Tea Break
11-12		TP3 Separating bound from unbound sequences	PP2 continuation	PP4 continuation	Question & Answer session
12-13	Arrival & Reception	Lunch	Lunch	Lunch	Departure
13-15	Welcome and Theoretical Part (TP) 1: Nucleic Acid Library	Practical part (PP) 1: Preparing the Target molecule	TP3 continuation PP3: Preparing RNA for the interaction analysis	TP4: Library assessment & progress of selection	
15-15:30	Coffee & Tea Break	Coffee & Tea Break	Coffee & Tea Break	Coffee & Tea Break	
15:30-17	Safety Instruction	PP1 continuation	PP3 continuation	External Speaker: Dr. Tom Schubert (2bind)	
18-open end				Dinner	

External Speaker:
Dr. Tom Schubert (2bind)
